WHAT'S THE PROBLEM?

• • •

- Student resumes are often messy and inconsistent.
- HR has to read hundreds of resumes in a short period of time.
- Different formats make it confusing and difficult to analyze automatically.
- As a result, many good resumes are overlooked, while poor ones get accepted.
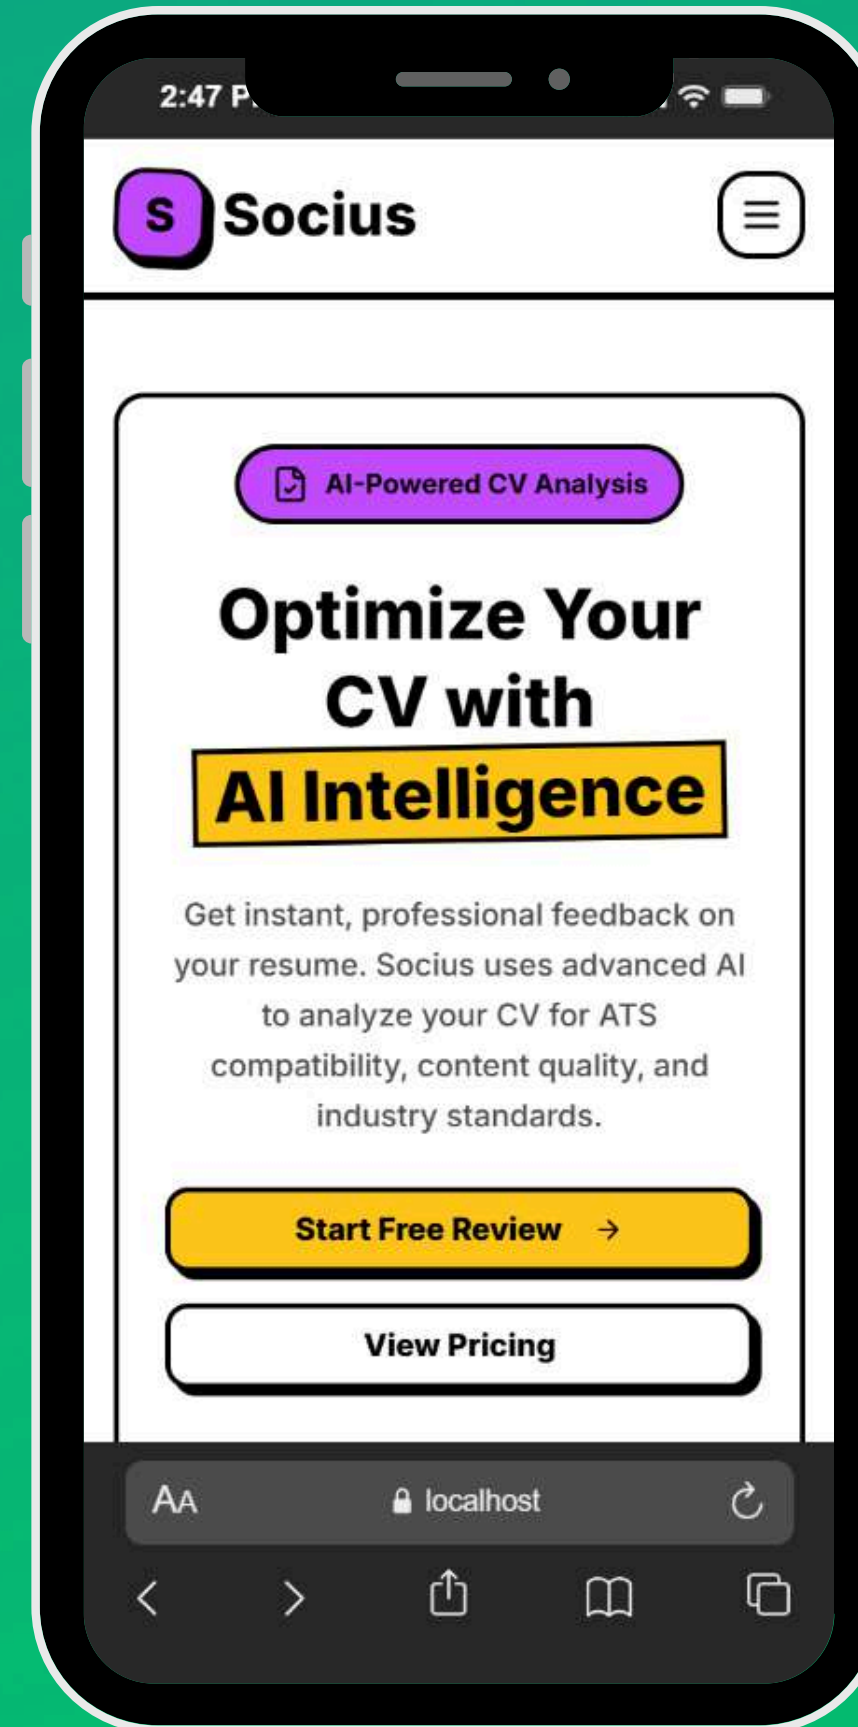

WHY SHOULD WE CARE?
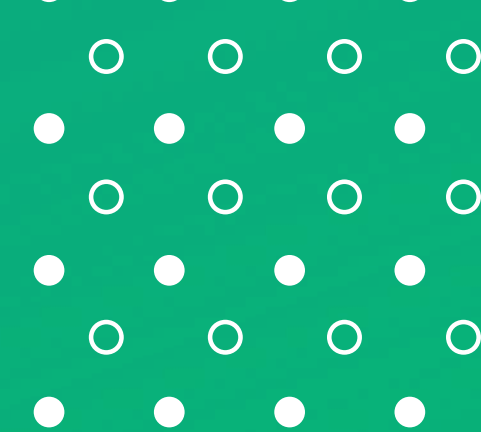

●●●

01.

Small Mistake Big Impact
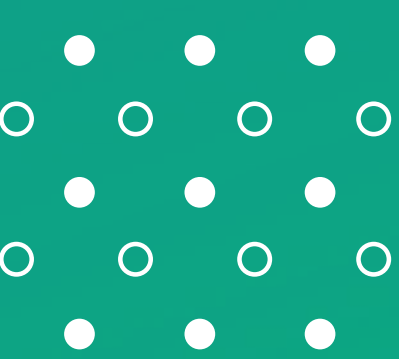

02.

Online tools are often too general

03.

Students need clear and quick feedback

04.

HR needs efficient screening
